IMPORT AND EXPORT REGULATIONS.

Simla, the 16th July 1938.

No. 201 (3) Tr. (I. E. R.)/38.—In exercise of the powers conferred by clause (*i*) of section 10, section 23 and sub-section (*4*) of section 27 of the Indian Tea Control Act, 1938 (VIII of 1938), the Central Government is pleased to make the following rules, namely:—

1. These rules may be called *the Indian Tea Control Rules, 1938.*

2. In these rules:—

(1) "Act" means the Indian Tea Control Act, 1938.

(2) "Replanted areas" means:—

(*a*) areas replanted after the 1st January 1926 but not after the 31st March 1933 in replacement of old tea uprooted;

(*b*) areas replanted after the 31st March 1933 in replacement of tea which was uprooted between 31st March 1931 and 31st March 1933 provided such uprooting was in or before the year selected for crop basis.

(3) "Low producing area" means the whole area planted with tea in a tea estate whose crop basis in the year 1938-39 with reference to the area planted with tea in that estate on the 31st March 1933 amounts to less than 456 pounds per acre.

3. Any owner of a tea estate wishing to apply for the re-determination of the crop basis under sub-section (3) of section 14 of the Act, shall send to the Committee a fee at the rate of annas eight per acre of existing tea under cultivation planted on the estate on or before the 31st December 1925 and shall furnish thereafter such particulars as may at any time be required by the Committee. Each application shall have reference to one estate only.

4. (*a*) The owner of a tea estate which contains young areas or replanted areas may apply to the Committee on or before 30th September 1938, for an addition to the crop basis of the tea estate in respect of the young areas and replanted areas concerned. Where such young areas consist of tea planted on virgin soil, after the 1st April 1938, in accordance with the provisions of the Act, such application may be filed at any time.

(*b*) On receipt of an application under sub-rule (*a*) the Committee may grant an addition to crop basis on the scale prescribed in the attached Schedule I (Allowances for young areas) for the locality concerned after making the deductions specified below:—

(1) any special hardship or "young clearings" allowance included in the crop basis for the year 1937-38, in accordance with the Rules under the Indian Tea Control Act, 1933, in respect of the young clearings concerned,

(2) any yield which the young areas concerned contributed to the production of the estate in that one of the years 1929 to 1932 taken by the estate for the purposes of its crop basis. If satisfactory evidence of such contribution is not forthcoming, the Committee shall make a deduction not greater than that shown in Schedule II (Contributions by young areas); and,

(3) any yield which replanted areas contributed, before their replanting, to the production of the estate in that one of the years 1929 to 1932 taken by the estate for the purposes of its crop basis. If satisfactory evidence of such contribution is not forthcoming, the Committee shall make a deduction not greater than that shown in Schedule I (Allowances for young areas):

Provided that the addition to crop basis on account of the existence of a young area planted after the 1st April 1938, shall, during each of the first seven years of its planting, be deemed to be the amount set out in Schedule II (Contributions by young areas) as the contribution, during the corresponding year of the first seven years of their planting, by young areas in the same locality.

(*c*) Where permission to plant tea on land not previously planted with tea is granted under section 29 of the Act, no addition to crop basis under this rule shall be made in respect of the area concerned.

5. The owner of an estate in a low producing area may, at the time of submitting his application for export quota, apply for an addition to crop basis for the particular financial year concerned. Such addition if granted, shall in the case of Darjeeling Hill gardens (specified in Schedule III) be as specified in Schedule IV, and in the case of other gardens be as specified in Schedule V, and shall be such amount per acre, on the land planted with tea on the estate on the 31st March in the financial year previous to that to which the application relates, as is specified in Column II of the Schedule in question:

Provided that no such addition shall be made unless it can be proved to the satisfaction of the Committee that, had such addition been given in the year previous to that to which the application relates, the estate would still have been able to produce an amount of manufactured tea equal to, or in excess of, the total amount of tea in respect of which licences could have been issued under the enhanced export quota. Where the principle laid down in the foregoing proviso so necessitates, the Committee may grant additions less than those specified in the Schedules.

6. References in these rules to the yield per acre or the production of tea, shall be construed as meaning the yield or production of manufactured tea, *i.e.*, tea either black or green produced in the usual manner for sale in the markets. Where tea is not manufactured by the estate concerned, or where evidence of the amount manufactured is not available, the production shall be assumed to be by weight one-fourth of the weight of green leaf produced.

7. The Committee may appoint inspectors or assessors for the purpose of assisting it in the determination or re-determination of the crop basis and in the discharge of its other duties. Such inspectors or assessors, if appointed, shall be not less than two in number and in case of a garden owned or controlled by Indians at least one of them shall be an Indian. The Committee may pay to them such fees as the Committee in meeting decide as well as actual travelling expenses.

8. Applications for export quota for the financial year commencing 1st April 1938 shall be filed with the Committee not later than the first day of August 1938. Applications for export quota in any subsequent financial year shall be filed not later than the 1st of February in the preceding financial year. Each such application shall be accompanied by a statement showing the crop basis of the estate. No quota shall be allotted unless application under this Rule is duly filed:

Provided that a tea estate which has been authorised by the Central Government under sub-section (1) of section 14 of the Act to apply for the allotment of an export quota, may make its first application to the Committee within three months from the date of the orders of the Central Government; but its subsequent applications shall be made in accordance with this rule.

9. Any estate appealing to the Central Government under section 7 of the Act shall forward such appeal in duplicate to the Secretary to the Government of India, Department of Commerce, within sixty days of the order against which the appeal is preferred and shall forward a copy of such appeal to the Secretary of the Committee, Calcutta. The orders of the Central Government, who may make such enquiries as they may deem necessary, shall be communicated direct by the Central Government to the estate concerned and a copy of such orders shall be forwarded to the Secretary of the Committee, Calcutta.

10. An estate appealing under section 7 (2) of the Act to the High Court of the Province within which the estate is situated shall at the same time intimate to the Central Government that an appeal to the High Court has been filed.

11. (1) The owner of a tea waste desirous of planting tea—in accordance with the provisions of sections 26 and 27 of the Act—on land not planted with tea at the 31st March 1938, shall apply to the Committee on or before the 30th September 1938 and shall furnish such details as may be required by the Committee.

(2) Every application shall be accompanied by a survey map of the estate showing (*i*) the full extent of the acreage of the garden, and (*ii*) particulars of the plantings in each year on the total acreage of the estate previously planted with tea but from which the tea bushes have been uprooted, and lying fallow on the 31st March 1938. The Committee may order an inspection of the estate and of its records to satisfy themselves as to the accuracy of the map and for the purposes of their consideration of the application.

(3) No such application shall be admitted if during the period from the 1st April 1928 to 31st March 1933, no tea was planted.

(4) (*a*) Where the Committee consider that permission to plant tea under section 26 of the Act ought to be granted, they shall first ascertain the total area planted between the 1st April 1928 and the 31st March 1933 in the estate concerned;

(*b*) as soon as may be after the 30th September 1938 the Committee shall in respect of each Province divide the area determined under section 27 (3) of the Act amongst the applicant estates in the Province in proportion to the areas ascertained under clause (*a*):

Provided that the Committe may relax the application of this clause in the case of an estate which in the opinion of the Committee deserves special consideration on account of circumstances, outside the control of the owner or of any previous owner, affecting the development of the estate:

Provided further that, subject to the provisions of section 27(1) of the Act, the Committee may at any time grant permission to extend to the Tocklai and Nellakotta experimental stations.

12. The Forms set out in Schedule VI to these Rules shall be used for the purposes of the provisions of the Act referred to in each Form. The Committee may either generally or in any particular case require such additions as it may consider necessary to be made to any such form.

M. SLADE,
Secy. to the Govt. of India.

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 7383L.A.—2nd August 1938.—The following report of the Select Committee on the Bengal Local Self-Government (Amendment) Bill, 1938, with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

Report of the Select Committee on the Bengal Local Self-Government (Amendment) Bill, 1938.

We, the members of the Select Committee of the Bengal Legislative Assembly to which Bengal Local Self-Government (Amendment) Bill, 1938, was referred by a motion carried in the Bengal Legislative Assembly on the 1st April, 1938, have the honour to submit this our report with the Bill embodying amendments recommended by us annexed. All matter recommended to be omitted by the Select Committee has been printed in *italics* and enclosed in square brackets and all new matter recommended to be inserted has been underlined.

2. The Bill was published in English in an *extraordinary issue* of the *Calcutta Gazette* of the 14th March, 1938.

3. We do not consider that the Bill has been so altered by our recommendation as to require republication.

4. The Committee met for the first time on the 9th May, 1938, in Darjeeling and concluded their sittings there on the 12th May, 1938.

5. The changes made in the Bill are as follows.—

Clause 2.—Clause 2 (*a*) has been re-drafted to make it clear that persons newly elected or appointed as members of the Local Board will elect members of the District Board before the commencement of their term of office.

Clause 4.—We have made it clear that the date for election to be fixed by the District Magistrate must be a date within the date fixed by the Provincial Government for the expiration of the term of office of the outgoing members.

We consider it desirable to retain the second election in areas where Local Boards are abolished.

Clause 9.—The changes made are consequential

Clause 10.—This clause has been re-drafted to make the intention clear.

The time of commencement of the office of a member of a District Board or Local Board has been indicated

The provisions of clause 18 (proposed section 29E) have been incorporated here.

An explanation has been added to remove all ambiguities.

Clause 11.—We consider it desirable to limit the period for which the Provincial Government may appoint a person or persons to perform all the powers and duties of the District Board or Local Board.

We have also made it clear that the electoral roll prepared for the general election should be valid for completing or holding the election (if any) for the reconstitution of the District Board or Local Board

Clause 13.— We consider it desirable that a stipendiary civil judicial officer should preside over the election and that he should not have any vote.

Clause 14.—We have re-drafted this clause in consequence upon the changes made in clause 13.

Clause 16.—We have deleted this clause as being unnecessary.

Clause 17.—We have added proposed sub-section 29B to remove any doubt as to the competence of a person elected or appointed to be a member of a District Board or Local Board to take part in the election of the Chairman and Vice-Chairman of the Board, or in the election of members of the District Board under section 7, before taking his seat under the provisions of the Act.

Clause 18.—Proposed section 29E has been deleted in consequence of the changes made in clause 10.

Clause 20.—We consider it desirable that Local Boards should be abolished in areas where the Union Boards have been constituted and that there should be no option left to the Provincial Government in regard to the abolition of Local Board in a district if the District Board makes a recommendation to that effect.

Clause 24.- The changes made in section 148 are consequential upon the provisions relating to decision of disputes by an Election Tribunal introduced by this Bill.

We recommend that the Bill as modified by the Select Committee be passed.

Joint minute of dissent by Mr. Manmathanath Ray, M.L.A., Rai Bahadur Jogesh Chandra Sen, M.L.A., Mr. Puspajit Barma, M.L.A., Maulvi Md. Abul Fazl, M.L.A., Mr. Anukul Chandra Das, M.L.A., Sj. Manindra Bhusan Sinha, M.L.A.

We are decidedly of opinion that the present Bill should have provided for the abolition of the system of appointment of members of the District and Local Boards. Proposals have been made for amendment in certain respects of the sections of the Act dealing with the constitution of the District and Local Boards, viz., sections 7, 9, and 10. These proposals should have proceeded further, and should have provided also for the abolition of the system of appointment. The system of appointment is an anachronism for which there is no justification now. In the Legislative Assemblies, the system of appointment has been abolished, and in many local self-governing bodies, the proportion of appointment has been reduced, and it is high time that the system should come to an end in the District and Local Boards.

We would ask the Government to take immediate and appropriate measures for the abolition of the system of appointment under the Bengal Local Self-Government Act.

Minute of dissent by Mr. Manmathanath Ray, M.L.A.

I am opposed to the proposed amendment of section 10 of the Local Self-Government Act. This amendment proposes to give the Provincial Government the power to appoint members of the District and Local Boards on failure of the first election. The present Act provides for a second election in all cases of failure of the first election; and in taking away this right of second election, the proposed amendment is certainly a retrograde step. The Select Committee has restored the right of second election in only certain cases. I am definitely of opinion that the right of second election given in all cases by the present Act should not be disturbed in any way or in any case. There need not be any apprehension of delay in reconstitution of the District or Local Board. The rules made under the Act may provide for a speedy second election.

Minute of dissent of Mr. Puspajit Barma, M.L.A.

While I stick to the joint minute of dissent signed by some members, I hold further that there should be reservation of seats in District Boards for the minority communities on the basis of their population.

Minute of dissent by Khan Bahadur Mohammed Ali, M.L.A.

I append my signature to the recommendations of the Select Committee subject to the following minute of dissent.

The principle embodied in clause 11 is a flagrant breach of all doctrines of democracy. It empowers the Local Government to appoint a person or persons to run the administration of District Boards for a period of one year in cases where the boards cannot be reconstituted in time. I cannot see any sense in ousting a representative and elective outgoing board and replacing the same with a purely nominated body which is bound to be bureaucratic in character. Besides, this will give a handle to Government to nominate a Chairman for the interim period who with the full resources of the board in his control will be able to influence the formation of the next board. In short, this clause may lead to gross abuse of powers which will ultimately vest in District Officers.

Sub-clause (*2*) of clause 13 and sub-clause (*3*) of clause 14 provides for the appointment of stipendiary civil judicial officers to preside over the meetings for election of Chairmen and Vice-Chairmen. This is against all cardinal principles of self-government and is an outrage against the self-respect of members of District Boards. The present rule is functioning satisfactorily and there is no justification whatsoever for bringing in outsiders to preside over such meetings.

Clause 20 aims at the abolition of all Local Boards without giving an option to District Boards to retain them. I am opposed to the idea incorporated in this clause for I feel that conditions not being the same everywhere there may be areas where Local Boards are functioning satisfactorily and where their attention may be deemed desirable and necessary. No mandatory provision should therefore be made for their abolition.

No. 7384L.A.—2nd August 1938.—With reference to the footnote at the end of the Report of the Select Committee on the Bengal Local Self-Government (Amendment) Bill, 1938, published with notification No. 7383L.A., dated the 2nd August 1938, in Part IVA of the *Calcutta Gazette* of the 4th August 1938, it is hereby notified for general information that Maulvi Abdul Latif Biswas, Member, Bengal Legislative Assembly, has subsequently signed the said Report subject to the following minute of dissent.

Minute of dissent by Maulvi Abdul Latif Biswas, M.L.A., to the Bengal Local Self-Government (Amendment) Bill, 1938.

I sign the report of the Select Committee subject to this note of dissent and another joint note of dissent. By clause 11 of the Bill the Provincial Government assume the power of appointing a person or persons to exercise and perform all the powers and duties of the District Board or Local Board in case the reconstitution of that Board cannot be completed by the date fixed by the Provincial Government under clause (*a*) of sub-section (3) of section 19A. To me this step appears to be a retrograde one. In this province of Bengal like any other province of India when the Provincial Autonomy has been introduced and when emphatic cry for complete democracy has been raised in the Press and on the platform and every one of this province belonging to any school of thoughts is decrying the constitution as imperfect it is to be regretted that attempt should be made * * * * * * * * * * * to deprive a Local Self-Governing institution like a District Board or a Local Board. of a democratic power * * * * * * * * The effect of this change will make these self-governing institutions such as District Boards and Local Boards really subservient to the Local authorities namely District Magistrates and it means the negation of the spirit of democracy.

* * * * * * * *

* * * * * * * *

* * * * * * * *

* * * * * * * *

* * * * * * * *

If the power, proposed to be given to the executive authority be really conferred on them, no Chairman will be safe to follow the dictates of his clear conscience and independent judgment. He is only to play on a second fiddle. Under these circumstances I am strongly of opinion that * * * * * * * * * * * * * * the proposed clause as drafted should be defeated and negatived unhesitatingly.

No. 7385L.A.—2nd August 1938.—With reference to the footnote at the end of the Report of the Select Committee on the Bengal Local Self-Government (Amendment) Bill, 1938, published with notification No. 7383-L.A., dated the 2nd August 1938, in Part IVA of the *Calcutta Gazette* of the 4th August 1938, it is hereby notified for general information that Maulvi Abdul Latif Biswas, Mr. Ramizuddin Ahmed and Khan Bahadur Jalaluddin Ahmed, Members, Bengal Legislative Assembly, have subsequently signed the said Report subject to the following joint minute of dissent.

Joint note of dissent by Maulvi Abdul Latif Biswas, M.L.A., Mr. Ramizuddin Ahmed, M.L.A., and Khan Bahadur Jalaluddin Ahmad, M.L.A., to the Bengal Local Self-Government (Amendment) Bill, 1938.

We are decidedly of opinion that the present Bill should have provided for the abolition of the system of appointment of members of the District and Local Boards. Proposals have been made for amendment in certain respects of the sections of the Act dealing with the constitution of the District and Local Boards, viz., sections 7, 9 and 10. These proposals should have proceeded further, and should have provided also for the abolition of the system of appointment. The system of appointment is an anachronism for which there is no justification now. In the Legislative Assemblies, the system of appointment has been abolished, and in many local self-governing bodies, the proportion of appointment has been reduced, and it is high time that the system should come to an end in the District and Local Boards.

We would ask the Government to take immediate and appropriate measures for the abolition of the system of appointment under the Bengal Local Self-Government Act.

NOTIFICATION.

No. 7386L.A.—2nd August 1938. —The following report of the Select Committee on the Bengal Municipal (Amendment) Bill, 1938 with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

Report of the Select Committee on the Bengal Municipal (Amendment) Bill, 1938.

We, the members of the Select Committee of the Bengal Legislative Assembly to which the Bengal Municipal (Amendment) Bill, 1938; was referred by a motion carried in the Bengal Legislative Assembly on the 1st April, 1938, have the honour to submit this our report with the Bill embodying amendments recommended by us, annexed. All matter recommended to be omitted by the Select Committee has been printed in *italics* and enclosed in square brackets and all new matter recommended to be inserted has been underlined.

2. The Bill was published in English in an *extraordinary issue* of the *Calcutta Gazette* of the 14th March, 1938.

3. We do not consider that the Bill has been so altered by our recommendation as to require republication

4. The Committee met for the first time on the 3rd May, 1938, in Darjeeling and concluded their sitting there on the 4th May, 1938.

5. The changes made in the Bill are as follows :—

Clause 2—Sub-clause (i).—Sub-section (*2*) of section 24 which contained a reference to section 59 required consequential amendment owing to the repeal of section 59. But as sub-sections (*1*) and (*2*) of section 24 are now no longer necessary as being spent these sub-sections have been omitted.

Sub-clause (ii).—This is merely a drafting change.

Clause 3—New sub-clause (ia).—This is consequential on the changes made in clause 5.

Sub-clause (iv).—Clause 5 has been deleted and its main provision has been brought under this sub-clause to make the intention clear

We consider it desirable that a stipendiary civil judicial officer should preside over the election, and that he should not have any vote.

New clause 3A. This is also drafting change consequential on the deletion of clause 5(*2*)

Clause 4(i).—(*a*) The time of commencement of the office has been indicated,

(*b*) the provisions of clause 5(*a*) have been incorporated in this sub-clause.

An explanation has been added to remove all ambiguity.

Clause 4(iv). The clause has been redrafted. We think it advisable to limit the period for which the Provincial Government may appoint a person or persons to perform the duties of the Chairman and the Commissioners.

We have also made it clear that the electoral roll used in the last election would be valid for completing or holding of an election (if any) for the reconstitution of the Commissioners of the Municipality.

New clause 4A.—We have added this clause to remove any doubt as to the competence of a person elected or appointed to be a Commissioner to take part in the election of the Chairman or Vice-Chairman before taking his seat under the provisions of the Act.

Clause 5.—This clause has been deleted in consequence of the changes made in clause 3(*iv*).

New clause 6A.—This is consequential on the proviso in sub-clause (*iv*) of clause 3.

New clause 6B.—This is consequential on clause 3(*ii*).

New clause 9.—This is consequential on the changes made in clause 5.

We recommend that the Bill as modified by the Select Committee be passed.

Joint minute of dissent by Mr. Barada Prosanna Pain, M.L.A., Mr. Satya Priya Banerjee, M.L.A., and Mr. Sukumar Dutta, M.L.A.

We sign this report of the Select Committee on the Bengal Municipal (Amendment) Bill, 1938, subject to the following note of dissent:—

The Bill proposes to give the District Magistrate the power to convene the first meeting of the newly elected and appointed Commissioners. Hitherto this power has been exercised by the outgoing Chairman in cases of existing Municipalities and by the District Magistrate in cases of newly created Municipalities; but it is laid down in the existing Act that if the Chairman or the Magistrate as the case may be fail to issue notices of the meeting within ten days of the publication in the *Gazette* of the names of the elected and appointed Commissioners, the meeting may be convened on requisition of any three of the Commissioners. This provision of a meeting by requisition is now proposed to be omitted. We consider that this provision is very necessary as well as salutary. If the Magistrate makes any omission, those affected ought to have a remedy. The right of convening of the meeting on requisition of three Commissioners, in the event of the Magistrate failing to give notice within ten days, should in our view, be retained.

As to the provision of an outsider presiding at the meeting provided for in clause 3(*iv*), we are of opinion that this militates against the principles of democracy and self-determination and seeks to deprive the majority party of its right to elect its own Chairman at the meeting, although the original Bill has to a certain extent been improved by the provision of a stipendiary judicial officer to preside at the meeting referred to above.

We are in total disagreement with the provision contained in clause 4(*iv*) of the Bill and cannot and do not support the principle of empowering the Government to appoint a person or persons to exercise and perform all the powers and duties exercised by the Chairman and the Commissioners, if the reconstitution of the Commissioners of a Municipality cannot be completed by the date fixed by the Provincial Government. This, we think cuts at the very root of the principle of self-government.

We, therefore, propose the substitution of clause 4(*iv*) by the following:—

After sub-section (*5*), the following sub-section shall be added, namely:—

(*6*) If the reconstitution of the Commissioners of a Municipality cannot be completed by the date fixed by the Provincial Government under clause (*a*) of sub-section (*1*) all the powers and duties under the provisions of this Act or any rule or by-law made thereunder, shall be exercised and performed by the outgoing body of Commissioners (including the Chairman and Vice-Chairman) until the next newly formed body of Commissioners come into office, and for this purpose a fresh election may be held even though the date fixed by the Provincial Government under clause (*a*) of sub-section (*1*) of section 56 has expired.

Minute of dissent by Babu Upendra Nath Barman, M.L.C.

In clause 4(*iv*) in place of proposed sub-section (*6*) of section 56, I propose sub-section (*6*) as follows:—

(*6*) (*a*) If any municipality at the earliest opportunity provided by law or by the rules thereunder, neglects or fails as regards—

(*i*) the preparation of electoral roll, or

(*ii*) the general election of Commissioners, or

(*iii*) the election of Chairman or Vice-Chairman of the new board,

the District Magistrate will intervene at every step and assume all the powers under the Act to carry out the same.

(*b*) If, in exceptional circumstances, the reconstitution of the Commissioners of a Municipality cannot be completed by the date fixed by the Provincial Government, under clause (*a*) of sub-section (*1*) the existing board will continue to function until it is supplanted by the new board to be constituted under the direct control of the District Magistrate.

(The proviso will remain.)

The main principle which supports the amendment is that the ratepayers' right of self-determination should not be disturbed by unnecessary Government interference. In my opinion the above modification will ensure timely reconstitution as well as provide for exceptional circumstances without creating any set-back.

Minute of dissent by Mr. Maqbul Hossain, M.L.A.

This clause (*a*) of sub-section (*1*) of section 12 of the Bengal Village Self-Government Act, instead of being substituted as it is proposed in the Bill, should be totally deleted. In my opinion for conviction for any period by a criminal court of any offence a person once elected as a member of a Union Board should not be removed unless and until, in the best interest of the administration of the Union Board, the Union Board concerned considers him as an undesirable member and recommends to that effect to the District Board for his removal under clause (*e*) of sub-section (*1*) of section 12 of the Act. Besides this clause (*e*) the District Board is also empowered to remove a member under clauses (*b*), (*c*) and (*d*) and these provisions are quite sufficient for the purpose. This clause (*a*) should be deleted on political grounds also. Hence, I do not subscribe to this views of the majority members of the Committee and dissent to it.

Minute of dissent by Maulvi Idris Ahmed Mia, M.L.A., to the Bengal Village Self-Government (Amendment) Bill, 1938.

I did not expect such a Bill at this stage by the Hon'ble Minister himself whom I regard as a man of advanced views having sufficient knowledge on the different workings of the Local Self-Government and Village Self-Government Acts. It improves nothing and adds nothing which shall be of any real benefit to those concerned vitally. The recording of votes by ballot paper should have long been introduced and I fail to understand why it is not proposed to do so.

* * * * The system of penalty for non-payment of chowkidari tax works hard on the poor section and hence it ought to be abolished. * * * * * * The chowkidari tax itself is a useless burden upon the poor people of Bengal, so severe penalty for its non-payment ought to be discontinued.

In short such sort of Bill is not wanted at all at this time, so if a Bill is at all necessary it must be brought after necessary progressive amendments.

Minute of dissent by Mr. Charu Chandra Roy, M.L.A., to the Bengal Village Self-Government (Amendment) Bill, 1938.

I sign the report of the Select Committee on the Bengal Village Self-Government (Amendment) Bill, 1938, subject to the "Note of Dissent" prepared by me. I am not in agreement with several provisions of the Bill.

* * * * *

* * * * *

**In my opinion an "explanation" is to be added to clause 3(*1*)(*a*) of the Bill to the effect that "No conviction for non-violent political activities shall come under the purview of the section" clearly This is to be added to clause 4(*1*) also. In section 17B we find that the District Magistrates and Commissioners are to decide the election disputes. It is wanted by all and I am also of opinion that some of the Judicial Officers should decide the matter instead of the Executive officers. So I propose in section 17B, which has been dealt in clause 6(*ii*) of the Bill, the words District Magistrates and Commissioners should be changed and in their place the words "Senior Munsiffs" of the Sub-divisions and the District Judges of the Districts shall be substituted.

NOTIFICATION.

No 7391L.A.—2nd August 1938.—The following report of the Select Committee on the Bengal Dentists Bill, 1938, with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

Report of the Select Committee on the Bengal Dentists Bill, 1938.

We, the members of the Select Committee of the Bengal Legislative Assembly to which the Bengal Dentists Bill, 1938, was referred by a motion carried in the Bengal Legislative Assembly on the 1st April 1938, have the honour to submit this our report with the Bill embodying amendments recommended by us annexed. All matter recommended to be omitted by the Select Committee has been printed in *italics* and enclosed in square brackets and all new matter recommended to be inserted has been underlined.

2. The Bill was published in English in the *Calcutta Gazette* of the 17th March, 1938.

3. We do not consider that the Bill has been so altered by our recommendation as to require republication.

4. The Committee met for the first time on the 30th May, 1938, in Darjeeling and concluded their sittings there on the 1st June, 1938.

5. The changes made in the Bill are as follows:—

Clause 4.—We consider it more suitable as working medium to have an odd number of members. We have therefore, increased the number of representatives of the dental practitioners from six to seven. The other changes are only consequential.

Clause 5.—Two new disqualifying clauses have been inserted in sub-clause (*1*). We think it desirable that all members of the Board should be registered practitioners. Registration has, therefore, been made a *sine qua. non* for such membership.

In sub-clause (*1*) (*d*) we have reduced the period to six months to make it uniform with the provisions of the Bengal Medical Act, 1914, and the Bengal Nurses Act, 1934.

In sub-clause (*2*) we have added these words to remove any doubt as to the time from which the seat would be vacated.

Changes made in sub-clause (*3*) are verbal.

Clause 7.—As meetings of the Board and those of committees under the Board stand on the same footing we consider it desirable to allow travelling allowance for attendance at the meetings of the Board as well as of committees of the Board.

Clause 8.—The alterations in the clause are in drafting only.

Clause 9.—We have deleted the original sub-clause (*1*) to avoid only difficulty in the event of the Bengal Medical Council refusing to lend the services of its Registrar. We consider it advisable to leave the matter to the discretion of the Board and we have accordingly made the necessary changes in the new sub-clause (*1*) (*a*).

Original sub-clause (*4*) has been curtailed in view of the amendments made in clause 10.

Clause 10.—We consider it desirable to give additional powers to the Board for making regulations regarding the normal conditions of service, etc., of its employees.

Clause 12.—The amendments in clause 12 are of a drafting nature.

Clause 13.—In our opinion a dental practitioner's name should not be entered in the register if he is convicted of an offence involving moral turpitude. The reference to a cognizable offence in this clause is not very

happy, as there are offences involving moral turpitude which are not cognizable. On the other hand a cognizable offence may not involve such moral turpitude as should disqualify a dental practitioner otherwise eligible for registration.

"Medical Council" was a printing error and has been corrected.

Clause 15.—We have expunged the provision regarding compulsory registration of all the qualifications as this, in our opinion, would not serve any useful purpose and might even lead to occasional hardship.

Clause 16, sub-clause (1).—The grounds for removal from the Register should be the same as those mentioned in clause 13. This sub-clause has been amended to secure that object.

Sub-clause (2).—The Board should have the power to start an enquiry on its own initiative. The other amendments are intended to make the intention clear.

Clause 19. We consider it advisable to let the Provincial Government have some say in the appointment of unregistered dentists in aided institutions supported by public funds as in the Bengal Medical Act, 1914.

Clauses 20 to 25 and the Schedule.—The alterations in these clauses are merely of a drafting nature.

We recommend that the Bill as modified by the Select Committee be passed.

Mr. J. P. Anderson has since resigned.

Minute of dissent by Mr. Nishitha Nath Kundu, M.L.A.

In the Bengal Dentists Bill, 1938, provisions have been made under clause 15 (*b*) for preventing registered dental practitioners from using or affixing title or description which they do not actually possess and under clause 23(*1*) for penalising them for violating provision of clause 15 (*b*) but there is no provision for preventing non-registered practitioners from misleading patients by using or affixing title or description not actually possessed by them or for penalising them for such misleading act or acts. If the non-registered practitioners will, therefore, use or affix title or description which they do not possess, they will be left under the ordinary laws of crimes of the country. In my opinion this will not have the desired effect of checking the malpractice by the non-registered practitioners if they will only like to follow it, for it will not be always possible for misled patients to move in the matter and bring the offender to justice. It is, therefore, essential that some provision for preventing non-registered practitioners from misleading patients and public and for penalising them for such act or acts should be incorporated in the Bill, else practitioners will not be encouraged to get themselves registered under the Act. Subject to this note of dissent I sign the report of the Select Committee.

Minute of dissent by Maulvi Mirza Abdul Hafiz, M.L.A.

(1) Attempt is being made for the enactment of the present Bill into Act in consideration among others of the influx of a large number of foreign dentists and for the protection against unqualified ones. But in comparison with the population of the country the number of the duly qualified dentists is as a homeopathic dose. I am doubtful whether the time has yet come to enact such a law for the safety and advantages of the public at large under such circumstances. Unqualified and foreign dentists should be no doubt discouraged, but I fear the public would undergo more hardship and difficulty if it is made now at this stage. I do not know of course, how the Government is justified in arriving at a decision to undertake such a legislation on the report (which is not before us) of the Enquiry Committee appointed for the purpose.

(2) Secondly, I am not certain whether there is any need of passing such a Bill like the Bengal Dentists Bill, 1938, into an Act. Whereas there is already the Bengal Medical Act, 1914. Because it can be said that by making the necessary amendments of the aforesaid Medical Act of 1914, the purpose of the present Bill could have been served though, perhaps, it would have been a little complicated.

(3) **Clause 6.** The term of office of members according to me should be three years instead of five For the period of five years at such a preliminary stage under such circumstances seems to be too long for an infant institution. After it becomes a little experienced when it is expected duly qualified and good people would find place in the Board there may not arise any apprehension of injustice and so on.

Removal from register.

16. (*1*) The Board may direct that the name of any dental practitioner who is or has been convicted by a Criminal Court of [*a cognizable offence as defined in the Code of Criminal Procedure, 1898,*] any such offence as in the opinion of the Board involves moral turpitude, such conviction not having been subsequently quashed, or who after due inquiry has been held guilty by the Board of infamous conduct in any professional respect shall be removed from the register, and may direct that any name so removed shall be re-entered. [*Cf.* Ben. Act VI of 1914, s. 25.] *Act V of 1898.*

(*2*) The Board may, on receiving a complaint or information of unprofessional conduct on the part of [*any*] a registered dental practitioner [*the Board may,*] or, when it has reason to believe that any such practitioner is guilty of unprofessional conduct, on its own motion, after due inquiry (at which an opportunity has been given to such dental practitioner to be heard in his defence), make an order directing the Registrar to erase from the register the name of the said practitioner. Darjeeling. - No. 2665M -15th August 1938. In exercise of the power conferred by clauses (a) and (b) of section 215 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), as modified in its application to the district of Darjeeling, the Governor is pleased to make the following rules with respect to municipalities in the district of Darjeeling:

Rules prescribing the procedure to be followed by an assessor of municipal taxes appointed under the Act and by the Assessment Review Committee appointed under sub-section (1) of section 149 of the Bengal Municipal Act, 1932.

1. The Assessor shall commence work in sufficient time as may be fixed by the Commissioners at a meeting according to the local conditions, so as to finish his work at least three months before the date on which the new assessment is to take effect.

2. The office of the Assessor shall be situated in the municipal office or in any other suitable place provided by the Chairman for the purpose.

3. It shall be the duty of the Chairman to produce all relevant and required documents and papers in his power and otherwise render every assistance to the Assessor and the Assessment Review Committee appointed under sub-section (1) of section 149 of the Act in the discharge of their duties.

4. The assessor shall obtain from the Chairman copies of the current assessment registers and all information as to new holdings, and may issue notices under section 134 of the Act in Form A attached hereto to owners or occupiers of all holdings whose names appear in the said registers and to all owners or occupiers of new holdings, requiring them to submit to him, within one week of service of the notice, true and correct returns of the rent or annual value thereof and true and correct description of the holdings in Form B annexed hereto. These forms shall be printed by the Commissioners and copy shall be attached to every notice under section 134.

5. The notice referred to in rule 4 shall be signed by, or shall bear a facsimile of the signature of the Assessor.

6. The Assessor shall verify each return referred to in rule 4 in chronological order.

7. The notice of intention of the Assessor or any person authorized by him in writing, to enter, inspect and measure any holding shall be in Form C annexed hereto and shall be served by a special messenger in the manner laid down in section 510 of the Act.

8. (a) For the purpose of ascertaining the gross annual rental at which a holding may reasonably be expected to let comparison may be made with the rents of similar holdings in the vicinity. Regard may also be had to the rent which might reasonably be expected in an average year or taking one year with another, and not in any particular year. The rental of the holding in the past or in the future is immaterial, and a hypothetical tenant shall be assumed to use the property in the same way as the actual occupier, and to have the same facility for deriving profit from it, no more or no less.

(b) If such gross annual rental cannot, in the opinion of the Assessor, be easily estimated or ascertained, he shall determine the value of the building or buildings on the holding at the time of such assessment, regard being had to the age and existing condition of the building, its description and the dimensions of the rooms, the materials used, the area covered, accommodation, environment, road facility, commercial importance, sanitary condition, water supply facility, distance from schools and markets, present market value, and all other amenities and other conveniences. Ground rent for the land comprised in the holding shall be ascertained from the local sub-registry office or otherwise.

9. When the annual value of a holding has been determined by the Assessor, he shall fill up the last two columns of Form B and prepare an assessment list in the manner prescribed in section 136 and in accordance with the percentage rate fixed by the Commissioners at a meeting under section 135. When the assessment list is ready, the Assessor shall endorse on it a certificate over his signature as to the correctness of the entries therein, and shall then make it over to the Chairman who shall give the Assessor a dated receipt.

10. The assessment list prepared by the Assessor shall be submitted with a brief report to the Commissioners showing the basis on which he has prepared the list, *e.g.*, it should compare different areas and streets or even parts of a street and show why properties in them differ in value. Further, each actual assessment shall be accompanied by a note showing how he has arrived at it, comparing the property in question with other similar property and explaining why the assessment differs, if it does.

Procedure to be followed by the Assessment Review Committee appointed under section 149(1).

11. All applications for review of assessment or valuation or for exemption from assessment filed within the time prescribed in section 148 of the Act shall be entered in an objection list and that list with the assessment list to which objection is taken shall be placed before the Assessment Review Committee appointed by the Commissioners under sub-section *(1)* of section 149 of the Act.

12. The Committee shall then give at least seven days' notice under sub-section *(2)* of section 149 of the Act to the applicant in Form D annexed hereto of the time and place at which the application will be heard.

13. On the date so fixed for hearing, or any date to which such hearing may be adjourned, the Committee shall take such evidence and make such inquiry as it may deem necessary, in the presence of the objector or his agent, if he appears, and shall then pass such orders on the application as it thinks fit. One member of the Committee shall attest and date any correction in the assessment list that may be necessary as a result of its decision, and the assessment list shall be final as soon as all the objections to it have been heard and determined.

14. For the purpose of determining the gross annual rental of a holding, the Committee shall generally follow the procedure laid down in rule 8.

24-Parganas.—No. 2766P.H.—13th August 1938.—In exercise of the power conferred by section 311 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), the Governor is pleased to make the following rules subject to which the Commissioners of the Bhatpara Municipality may allow communication-pipes to be laid down from the service-pipes of the Commissioners for the purposes of leading water to premises for domestic purposes only:—

Rules.

So long as the Commissioners deem it practicable and consistent with the maintenance of an efficient water-supply, they may grant to any owner or occupier of a holding paying a water rate imposed under the provisions of Chapter VIII of the Bengal Municipal Act, 1932, on the annual value of such holding, when such annual value is not less than Rs. 100, a connecting-pipe from the service-pipes of the Commissioners for the purpose of leading water to such holding for domestic purposes only.

1. The owner or occupier of any holding requiring water to be laid on to such holding for domestic purposes must apply for the same on the printed form A to be supplied free of cost at the municipal office. The conditions subject to which a house connection will be given are set out in the form, and the owner or occupier shall sign the statement undertaking to observe the rules before a house connection will be given.

2. A fee of Rs. 100 shall be paid to the Commissioners by such owner or occupier for each connection to a municipal main supply-pipe before any work is commenced, such fee shall be in addition to all other costs and charges imposed under these rules.

3. Each holding must have a separate connection to the municipal main supply-pipe. Extension from the communication-pipe of one holding to another holding shall not be permitted and combination of holding for the purpose of these rules shall not be allowed.

4. The connection shall consist of two portions—

(*a*) the service-pipe from the street main to the boundary of the holding, including ferrule, stop-cock and check-pipes;

(*b*) the storage tank (or tanks) with service-pipe connecting to it from the boundary of holding, also outlet-pipes, taps and other accessories as required.

5. The items referred to in clause (*a*) of rule 4 shall be provided and fixed by and at the expense of the Commissioners, and such pipes and fittings shall remain as their property.

6. The items referred to in clause (*b*) of rule 4 shall be provided and fixed at the expense of the owner or occupier and shall be maintained by him in good working order. The tank shall be suitably covered and protected and shall be provided with locked lid, ball-valve, stop-valve and overflow-pipe. The inlet and outlet pipes shall be so laid that they will be protected from the heat of the sun.

7. The owner or occupier shall not permit the service-pipe, including the items referred to in clauses (*a*) and (*b*) of rule 4 or any part thereof to be altered, removed or interferred with by any person other than an authorised representative of the Commissioners, who shall be empowered by the Commissioners to alter or adjust the service-pipe as may from time to time be necessary for the maintenance of the

requisite flow of water. No tapping or branching off of the service-pipe shall be allowed except at a level approximately the same as that of the ball-valve.

8. The tank referred to in clause (b) of rule 4 shall be durable and water-tight and the cover, overflow-pipe and other accessories shall be so constructed that mosquitoes cannot enter the tank. The ball-valve and the other fittings shall be exact duplicates of standard samples kept in the office of the Commissioners and approved by them at a meeting. The storage tank or tanks shall be cleaned and sterilized quarterly at the expense of the owner or occupier under the supervision of an officer of the municipality.

9. Every storage tank shall be fitted with an overflow-pipe, the end of which shall project outside the house and shall be placed in a conspicuous position. Discharge of water from the overflow-pipe means that the ball-valve is failing to function, and the owner or occupier shall notify the waterworks officers every time he finds such discharge occurring.

10. Every owner or occupier of any holding, in respect of which a connection has been made under these rules, shall be entitled to supply of water corresponding to the annual valuation of such holding, according to the following table:—

RESOLUTION—No. 16108Misc.

Calcutta, the 11th August 1938.

Owing to the continued erosion of the town of Noakhali the Government of Bengal appointed a Committee in 1921 to advise where the new headquarters of the district of Noakhali could be located to the best advantage. The Committee submitted a report in favour of Maijdi and the recommendation was accepted by Government in Government of Bengal, Political Department, resolution No. 2755P., dated the 14th February 1922. Subsequently, as the situation showed an improvement, it was decided that the project should be held in abeyance and further progress of erosion should be watched. In 1929 erosion again started and during the years 1931 and 1932 assumed such serious proportions that temporary arrangements had to be made at Maijdi for accommodation of some of the Government offices. In view of the large expenditure involved in constructing a new headquarters station a Committee was appointed to examine from all points of view the question of the future administration of the areas included in the district of Noakhali. This Committee also recommended the selection of Maijdi as the new headquarters station of the district.

2. Subsequent investigations by Government experts revealed that Maijdi itself was not safe from erosion over a long period of time. Government have therefore come to the conclusion that Maijdi is not altogether suitable for the location of permanent headquarters of the district owing to the danger of erosion from the Noakhali khal. They have accordingly decided to appoint a small Committee to examine, on the assumption that it is necessary to remove the headquarters of the Noakhali district from the present site, what places, other than Maijdi, are suitable and to recommend the order of suitability of such places. The Committee will consist of the following members:—

The Commissioner of the Chittagong Division, *President*.

The Superintending Engineer, Department of Communications and Works, Eastern Circle.

The Superintending Engineer, Irrigation Department, Southern Circle.

RESOLUTION—No. 4756Edn.

Calcutta, the 16th August 1938.

The University of Dacca have prepared a scheme for the conversion of the existing Medical School in Dacca into a Medical College under the University. The scheme owes its origin to a generous bequest of Rs. 4 lakhs by the late Babu Jagamohan Pal of Dacca. It is proposed to construct buildings for the new Medical College in the University area where preclinical subjects, including Anatomy, Physiology, Pharmacology, etc., would be taught and to use the present buildings and land in the compound of the Dacca Medical School only for providing instruction in the clinical courses and for additional hospital accommodation. The capital cost of the scheme has been estimated at Rs. 5,50,000, of which Rs. 4 lakhs would be met from the donation of the late Babu Jagamohan Pal, the balance of Rs. 1,50,000 to come from Government. The recurring cost of the scheme has been estimated at Rs. 2,50,000 a year, of which about Rs. 1 lakh is to be provided by grants from Government, the balance being met from fees from students, the income of the hospital and the existing Government grant to the Medical School.

2. The matter is one which calls for careful consideration; for, besides other important factors that must be taken into account, opinions differ sharply as to whether it is better to aim at producing quantity in the shape of large numbers of trained licentiates or quality in the shape of a limited number of highly qualified graduates. Further, the costs may well be larger than have been indicated in the tentative scheme put forward by the University. The Governor has accordingly decided to appoint a representative and expert Committee to investigate and report upon the scheme. The Committee will be constituted as follows:—

President.

(1) The Surgeon-General with the Government of Bengal.

Members.

(2) The Vice-Chancellor, Dacca University, representative of the Dacca University.

(3) Professor J. C. Ghosh of Dacca University, representative of the Dacca University.

(4) Mr. Jogendra Nath Sen, M.A., B.L., one of the Executors of the estate of the donor.

(5) Mr. K. Shahabuddin, C.B.E., M.L.A.

(6) The Principal, Medical College, Calcutta.

(7) The Principal, Carmichael Medical College, Belgachia.

(8) The Superintendent, Campbell Medical School, Calcutta.

(9) The Secretary, Medical College Hospitals, Calcutta.

(10) Dr. Premankur De, B.SC., M.B., M.R.C.P. (Edin.), Professor of Physiology, Medical College, Calcutta.

(11) The Civil Surgeon, Dacca.

(12) Khan Sahib Dr. Maijuddin Khan, Deputy Superintendent, Dacca Medical School.

The Secretary, Medical College Hospitals, is also appointed Secretary of the Committee.

3. The Committee will examine the scheme prepared by the Dacca University and will report thereon with particular reference to—

(*a*) the desirability of establishing a Medical College in place of the present Medical School;

(*b*) the number of students for whom facilities should be provided; and

(c) the approximate cost to Government (capital and recurring) of any such desirable scheme including the cost of necessary hospital improvements, etc., which may be necessary for providing additional training facilities.

4. The Committee are requested to submit their report as early as possible.

Order.—Ordered that the resolution be published in the *Calcutta Gazette* and that copies be forwarded to the President and the members of the Committee, the Department of Public Health and Local Self-Government, the Director of Public Instruction, Bengal, and the Registrar, Dacca University, for information.

By order of the Governor,

OFFICE OF THE PRIVATE SECRETARY TO HIS EXCELLENCY THE VICEROY.

NOTIFICATION.

Simla, the 4th August 1938.

No. 105-H.—His Excellency the Viceroy has been pleased to confer the Indian Police Medal on the following officer:—

Bengal.

Maulvi Sheikh Borhan, Assistant Sub-Inspector of Police, Rajshahi.—On 8th May 1938, Sub-Inspector Moslehuddin Ahmad, the officer-in-charge of Ramnagar police-station in the district of Rajshahi, was investigating a dacoity case which had occurred in the house of one Gazi Sardar, along with Assistant Sub-Inspector Sheikh Borhan. The officers were making enquiries as to the whereabouts of one of the suspects in this dacoity case named Basir Sardar, when the latter came to the house in which the two officers were sitting taking their food and stabbed a chaukidar who was on the verandah of the house and then ran into the house to attack the Sub-Inspector. The chaukidar died. Basir Sardar stabbed the Sub-Inspector in the body and Assistant Sub-Inspector Sheikh Borhan thereupon closed with the assailant, who again attempted to stab the Sub-Inspector but the Assistant Sub-Inspector seized the sharp end of the spear and deflected the blow. Sheikh Borhan was unable to hold the spear firmly and Basir Sardar therefore again attempted to attack the Sub-Inspector, but the Assistant Sub-Inspector in spite of being badly wounded in the hand, retained his hold of the accused and prevented him from delivering another blow at the Sub-Inspector. Moslehuddin Ahmad subsequently recovered from his wounds.

The courage and presence of mind displayed by Assistant Sub-Inspector Sheikh Borhan were extremely praiseworthy.

This award is made for gallantry under regulation *d*(i) of the regulations governing the grant of the Indian Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police.

Bengal Act VI of 1938.

THE BENGAL TENANCY (AMENDMENT) ACT, 1938.

[Passed by the Bengal Legislature.]

[Assent of the Governor was first published in the *Calcutta Gazette* of the 18th August 1938.]

An Act further to amend the Bengal Tenancy Act, 1885.

WHEREAS it is expedient further to amend the Bengal Tenancy Act, 1885, in the manner hereinafter appearing; VIII of 1885.

It is hereby enacted as follows:—

Short title.

1. This Act may be called the Bengal Tenancy (Amendment) Act, 1938.

Amendment of section 3 of Act VIII of 1885.

2. To clause (*5*) of section 3 of the Bengal Tenancy Act, 1885 (hereinafter referred to as the said Act), the following shall be added, namely:—

Repeal of section 26A.

3. Section 26A of the said Act is hereby repealed.

Substitution of new section for section 26C

4. For section 26C of the said Act the following section shall be substituted, namely:—

Manner of transfer and notices to landlord and co-sharers

"26C. (*1*) Every transfer shall be made by registered instrument, except in the cases of a bequest or a sale in execution of a decree or of a certificate signed under the Bengal Public Demands Recovery Act, 1913; and a registering officer shall not accept for registration any such instrument unless the sale price, or where there is no sale price, the value of the holding or portion or share thereof transferred is stated therein, and unless it is accompanied by— Ben. Act III of 1913.

(*i*) a notice giving particulars of the transfer in the prescribed form, together with the process fee prescribed for the service thereof on the landlord or landlords or their common agent, if any, who is or are not party or parties to the transfer, and

(*ii*) such notices and process fees as may be required by sub-section (*4*).

(*2*) In the case of a bequest of such a holding or portion or share thereof, no Court shall grant probate or letters of administration until the applicant files a notice and deposits a process fee similar to those referred to in clause (*i*) of sub-section (*1*).

(*3*) A Court or Revenue-officer shall not confirm the sale of such a holding or portion or share thereof put to sale in execution of a decree or a certificate signed under the Bengal Public Demands Recovery Act, 1913, and no Court shall make a decree or order absolute for foreclosure of a mortgage of such a holding or portion or

(Secs. 5, 6.)

share thereof, until the purchaser or the mortgagee, as the case may be, files a notice or notices and deposits a process fee or fees similar to those referred to in sub-section (*1*).

(*4*) If the transfer of a portion or share of such a holding be one to which the provisions of sub-section (*1*) of section 26F apply, there shall be filed notices giving particulars of the transfer in the prescribed form together with process fees prescribed for the service thereof on all the co-sharer tenants of the said holding who are not parties to the transfer.

(*5*) The Court, Revenue-officer or registering officer, as the case may be, shall serve the notices provided in this section by registered post, and after receipt of such notice, the landlord or landlord's agent, as the case may be, shall not refuse to recognise the transferee as the tenant in respect of the holding or portion or share thereof transferred nor omit to enter the transferee's name in the landlord's rent-roll in place of that of the transferor or where only a share or a portion of the transferor's interest has been transferred, along with the name of the transferor:

Provided that such recognition shall not operate as an admission of the amount of rent or the area or any incident of such occupancy holding other than the existence of a right of occupancy therein or be deemed to constitute an express consent of the landlord to the division of the holding or to the distribution of the rent payable in respect thereof:

Provided further that if a transfer is subsequently set aside or modified by a competent authority, the party in whose favour such order has been made shall, unless such order has been passed in a suit, appeal or other proceedings to which the landlord was a party, deposit with the authority before whom the appropriate suit or proceeding was first initiated the prescribed fee for a notice on the landlord or his common agent, if any, describing the modifications made by such order, on receipt of which notice the landlord shall cause his rent-roll to be corrected accordingly.

(*6*) In this section—

(*a*) 'transferee,' 'purchaser' and 'mortgagee' include their successors in interest,

(*b*) 'transfer' does not include partition or a lease, or, until a decree or order absolute for foreclosure is made, simple or usufructuary mortgage or mortgage by conditional sale, and

(*c*) 'transferor' includes a person whose interest in a holding or portion or share thereof has terminated in the circumstances mentioned in sub-section (*2*) or sub-section (*3*)."

Explanation. A relation by consanguinity shall, for the purposes of this section, include a son adopted under the Hindu Law.

(*2*) The application shall be dismissed unless the applicant or applicants at the time of making it, deposit in Court the amount of the consideration money or the value of the transferred portion or share of the holding, as stated in the said notice, together with compensation at the rate of ten *per centum* of such amount.

(*3*) If such deposit is made, the Court shall give notice to the transferee to appear within such period as it may fix and to state what other sums he has paid in respect of rent or in annulling incumbrances on the property since the date of the transfer. The Court shall then direct the applicants [including any person whose application under sub-section (*4*) has been granted] to deposit within such period as the Court thinks reasonable, such amount as the transferee has paid on such account, together with interest at the rate of six and a quarter *per centum per annum* with effect from the date on which the transferee made such payments.

(*4*) (*a*) When an application has been made under sub-section (*1*), any of the remaining co-sharer tenants, including the transferee, if one of them, may within the period referred to in that sub-section or within one month of the date of the application, whichever is later, apply to join in the said application; any co-sharer tenant who has not applied under either sub-section (*1*) or this sub-section shall not have any further power of purchase under this section.

If such deposit is made, the Court shall grant the application to join, and thereafter such applicant shall be deemed to be an applicant under sub-section (*1*).

(*5*) The Court shall thereafter make an order allowing the applications under sub-section (*1*) of such applicants [whether they applied under sub-section (*1*) or sub-section (*4*)] who have made the deposits required by this section and directing that the deposits made under sub-sections (*2*) and (*3*)

The Bengal Tenancy (Amendment) Act, 1938.

(Sec. 7.)

shall be paid to the transferee or to such other persons as the Court thinks equitable.

(*6*) In making an order under sub-section (*5*) in favour of more than one co-sharer tenant, the Court may apportion the property comprised in the portion or share transferred among the applicants in such manner as it deems equitable after taking existing possession into consideration; the Court shall so apportion the said property or portion thereof on the request of any applicant, and in this case may require the applicant who makes such request to make, within such period as the Court may fix, such further deposit as the Court considers necessary for equitable distribution among the remaining applicants :

Provided that no apportionment ordered under this sub-section shall operate as a division of the holding.

(*7*) From the date of the making of the order under sub-section (*5*)—

(*a*) the right, title, and interest in the portion or share of the holding, accruing to the transferee from the transfer shall, subject to the provisions of section 22 and to any orders passed under sub-section (*6*), be deemed to have vested, jointly and free from all incumbrances which have been annulled or created after the date of the transfer, in the co-sharer tenants, whose applications to purchase have been allowed under this section,

(*b*) the liability of the transferee for the rent due from him on account of the transfer shall cease, and

(*c*) the Court on further application of such applicant or applicants may place him or them, as the case may be, in possession of the property vested in them.

(*8*) When a transferee is divested of his right, title and interest under the provisions of sub-section (*7*), he shall for the purposes of clauses (*a*), (*c*) and (*d*) of section 156 be deemed to be a *raiyat* ejected from his holding by proceedings for his ejectment commencing on the date on which the application under sub-section (*1*) was made.

(*9*) Nothing in this section shall take away the right of pre-emption conferred on any person by Muhammadan Law.

(*10*) An appeal shall lie to the ordinary Civil Appellate Court from any order of a Court under this section.

(*11*) In this section 'transfer' does not include simple or usufructuary mortgage or mortgage by conditional sale until a decree or order absolute for foreclosure is made."

DEPARTMENT OF AGRICULTURE BENGAL.

Dacca, the 10th August 1938.

Monthly Weather and Crop Report of Bengal for July 1938.

I. *Character of the season.*—During the month under review, the rainfall was below the normal in 18 districts while in others it was above the average. The usual rainfall statement is appended below.

II. *Progress of agricultural operations.*—Transplantation of paddy seedlings commenced, but the operation was retarded at places owing to heavy showers and floods. Harvesting of jute and *aus* paddy was in progress in North and East Bengal.

III. *State of standing crops.*—The condition of low land crops was reported to be unsatisfactory, but that of those on mid and high lands was fairly good.

IV. *Prospects and probable outturn.*—The prospects and probable outturn of standing crops on low lands are not promising owing to early rise of rivers and excessive rainfall and those of medium and high land crops are fair only.

V. *Damage to standing crops.*—Flood and heavy rainfall in places caused considerable damage to the standing crops in some of the North and East Bengal districts.

VI. *Condition of agricultural stock.*—Condition of live-stock was generally fair. Sporadic cases of cattle-disease were, however, reported from 15 districts of the province and Cooch Behar and Tripura States.

VII. *Failure of pasturage and fodder.*—Insufficiency of fodder was reported from Dacca, Faridpur and Bogra and some parts of Darjeeling, Dinajpur, Malda, Pabna, Rangpur and Nadia.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 6th August 1938.

First Forecast of the Sugarcane Crop of Bengal, 1938-39.

(*Note*.—On an average of the five years ending 1936-37, the area under sugarcane in Bengal has represented some 7·5 per cent. of the total area under sugarcane in British India.)

Character of the Season.—Weather conditions were generally favourable at the planting time. Shortly however a period of drought set in which, followed by heavy and continuous rainfall, has adversely affected the growth of the crop. The condition of the crop is on the whole fair.

Area planted.—The total area planted with sugarcane for the province is reported to be 301,600 acres this year as against 290,100 acres reported in the final forecast of last year.

Director of Agriculture, Bengal.

RESOLUTION—No. 2771M.

Calcutta, the 20th August 1938.

The maladministration of the Sonamukhi municipality (in the district of Bankura) consequent on continued financial mal-adjustment from year to year owing to the unsatisfactory state of collections and faulty budgeting has been under the notice of Government for sometime past. The note of inspection recorded by the Subdivisional Magistrate who inspected the municipality in September 1936, disclosed a very unsatisfactory state of affairs. The District Magistrate who inspected the municipality again in March 1937 found that no action had been taken on the note of inspection recorded by the Subdivisional Officer, that while the outstandings had gone on increasing, liabilities had swelled and the percentage of total collection to the total demand had fallen as low as 45·3, and that the municipal commissioners had failed to adopt and had exhibited reluctance to adopt any effective coercive measures for the realisation of the heavy arrears and at the same time had made no attempt to adjust the expenditure to income by economy and retrenchment. Government were accordingly moved to sanction the total supersession of the municipality under section 553 of the Bengal Municipal Act.

Government, however, took into consideration the fact that as a result of the subsequent reconstitution of the municipality, a new body of the commissioners, had in the meantime come into existence, who could not, with equity, be superseded for the laches of their predecessors. It was accordingly, decided that the new municipal commissioners should be given an opportunity of remedying the unsatisfactory condition of the affairs of the municipality. The Divisional Commissioner was therefore requested to ask the municipal commissioners to take special and vigorous steps for the collection of the heavy outstanding arrears within the next six months and the District Magistrate, Bankura, was asked to report after six months about the progress made in the collection of arrears and the improvement of general administration.

2. The District Magistrate, Bankura, accordingly inspected the municipality in December 1937 and again in March 1938. The notes of inspection recorded by the District Magistrate show that no improvement had been effected either in the collection of the arrears or in the general administration of the municipality, current collections up-to-date being only 29 per cent. of the current demand and the total collection only 35·4 per cent. of the total demand. The table below shows the state of collection :-

	Arrear demand.	Arrear collection.	Current demand.	Current collection.
	Rs.	Rs.	Rs.	Rs.
1934-35	..	2,012	..	3,037
1935-36	2,043	1,031	6,848	3,004
1936-37	3,993	2,104	5,197	3,139
1937-38 up to 31st December 1937.	4,635	1,978	4,963	1,525

As against the above, the total liabilities which amounted to Rs. 6,396 up to March 1938 far exceed the total collection, and are steadily on the increase.

In spite of the accumulation of such heavy liabilities and the gradual fall in the percentage of collection no attempt has been made either to make a proportionate expenditure, or to improve the collection. The present commissioners appear to have inherited both the arrears and as well as the inactivity of their predecessors.

3. The administration of the municipality has thus been persistently marred by inefficiency, stagnation and financial embarrassments to such an extent that it appeared to Government that the municipal commissioners had signally failed to discharge its normal statutory functions, and were faced with a very grave and critical situation. Government accordingly called upon the municipal commissioners under section 550, sub-section (1) of the Bengal Municipal Act to show cause why the proposed appointment should not be made. The municipal commissioners have in their reply themselves admitted that the appointment is unavoidably necessary owing to the serious financial crisis and the consequent deplorable situation of the municipality.

4. In view of the above state of affairs Government have come to the conclusion that the commissioners of the Sonamukhi municipality have, in the respect of the collection and assessment department, proved incompetent to perform, and have persistently made default in the performance of, duties imposed on them by and under the Municipal Act. In exercise of the power conferred by section 550, sub-section (2) of the Bengal Municipal Act, 1932, they accordingly direct that the Circle Officer, Patrasayer, whose headquarters are now at Sonamukhi will take charge of the above departments for a period of three years with effect from the date of publication of this resolution in the "Calcutta Gazette".

4. Ordered that this resolution be published in the "Calcutta Gazette".

By order of the Governor,

G. S. DUTT,

Secretary to the Government of Bengal.

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

Interim Report of the Select Committee on the Bengal Money-Lenders Bill, 1938.

We, the members of the Select Committee on the Bengal Money-Lenders Bill, 1938, were asked by the House to present our report to the House on the 15th August, 1938.

The Committee met and began their deliberations on the Bill for the first time at 11 a.m. on the 11th August, 1938. They met again on the 12th and on the 13th and the deliberations are continuing.

As the Committee is likely to take a considerable time to come to a decision on all the provisions, we suggest that the time for submission of the report may be extended till the 31st of October, 1938.

NOTE.—The signatures of the remaining members could not be obtained at the time when the report was printed.

Minute of dissent in respect of the interim report of the Select Committee on Bengal Money-Lenders Bill, 1938, by Maulvi Abdul Hakim, M.L.A.

I sign the report of the Select Committee subject to the following note of dissent:—

The Bill should be passed without any further delay to give substantial relief to the unfortunate debtors. While at Darjeeling the Hon'ble Minister-in-charge gave us an assurance that a comprehensive Government Bill will be introduced and put through at the current session. On that assurance the Select Committee put off the non-official Bills.

It is now obvious that the Bengal Money-Lenders Act, 1933, is not capable of giving all-round relief to the debtors and hence in most cases not only the purpose for which this Act was made, but also the purpose for which the Agricultural Debtors Act, 1935, was passed, are being frustrated. I am personally aware that fair and reasonable awards given by a Special Debt Conciliation Board have been altered by the special appellate officer. Special appellate officers are generally Munsifs and most of their judgments are inclined more to creditors than to debtors and hence they alter fair and reasonable awards in favour of creditors in respect of the original principal in cases of renewed bonds, and in respect of the previously paid interests taken into account by the Debt Conciliation Board as well as in respect of the adequate number of instalments granted by the said Board. This Bill is not altogether a new thing. It is an improved form of the Bengal Money-Lenders Act of 1933, and hence it does not require any circulation too. There are of course certain defects in the Bill, but these defects can be cured in the Select Committee or on the floor of the House. I, therefore, urge that the Bill should be passed at this session without any further delay and no extension of time as sought in the interim report is necessary. The Select Committee should sit to its task seriously and finish its labour by taking an extension of at least a week's time, and thereafter the Government should put the Bill through, if necessary by extending the session.

Minute of dissent in respect of the interim report of the Select Committee on Bengal Money-Lenders Bill, 1938, by Mr. Ahmed Hossain, M.L.A.

I sign the interim report of the Select Committee on the Money-Lenders Bill, subject to the following note of dissent:—

The Select Committee appointed on the non-official Money-Lenders Bills consented to put them off on the definite and solemn assurance from the Hon'ble Minister concerned that the Government Bill will be put through this session. As an earnest to that assurance, the Government put in and carried an amendment to the effect that instead of 23rd August the Committee will submit report by the 15th August, so that the Bill could be put to the open session earlier. But now the interim report, which strangely enough has been sponsored by and arrived at at the instance of the Government, seeks extension of time till the 31st of October in order to enable the Select Committee to submit its final report. This in my opinion, besides violating the assurances of the Government, will have the further baneful effect of putting off indefinitely an urgent and important piece of legislation. This long extension is also unnecessary and uncalled for. Three to four strenuous days' work would have been sufficient to thrash out the whole thing. At any rate one week's extension would have been enough for the Committee to finish its labour. In that case even the report could easily have been submitted in time and the Bill would have been put through this session. In my opinion the Government ought to have prolonged the session if necessary to keep its word with regard to this Bill. But to my utter disappointment, I find that no such attempt has been made.

This decision of the Select Committee will involve further unnecessary expenditure of public money and suffering for the unfortunate debtors, whom we all promised to provide early relief and who are all badly in need of relief at least in such matters as definite provisions with regard to the amount of interest realisable, further reduction in rates of interest, inclusion of loans in kind within the purview of the Money-Lenders Act, etc.
